Elba Oval WiFi WI FI DIRECT

Energy-efficient digital towel rail
with WiFi & Ai

Displayed model
TELWI50B112 - Elba Oval WiFi 500W black

Smartphone control

Control your Rointe connected towel rail from your smartphone, anytime and anywhere you want, with the Rointe NEXA app.

Concealed metal wall brackets

Secure fixing system that remains completely hidden, allowing more towels to be placed on the rails without visible supports obstructing easy use.

Maximum energy savings

Its technology allows the product to offer maximum performance with minimum energy consumption.
